

A Positive School Climate

What Does It Look Like?

- ▶ Do the students and adults seem happy?
- ▶ Is there a sense of enthusiasm, energy, and joy?
- ▶ Are differences in learning styles, levels, and interests celebrated?
- ▶ Is there evidence of mutual respect and regard?
- ▶ Are the processes of learning valued?
- ▶ Is there time for relaxation, imaginative activities, and pondering?
- ▶ Is there as much interest in the "how" as there is in the "how well?"
