It's Planting Time

To insure a bountiful harvest of good students:

First: Plant five rows of PEAS

Presence Preparation Promptness Purpose Perseverance

Next: Plant three rows of SQUASH

Squash negativism Squash criticism Squash indifference

Then: Plant four rows of LETTUCE

Let us be open to new ideas

Let us be willing to listen and learn

Let us be true to our obligation to all people, especially our children

Let us love one another

No garden is complete without TURNIPS

Turn up for all meetings Turn up with a smile Turn up with an agenda Turn up with ideas

Turn up with the determination to build
