

Love Me When I'm Most Unlovable

I'm sorry but I can't say I'm sorry.

I'm frightened but I'll never admit it.

I want you to like me but I do things to get your angry.

I forget my homework when I do it.

I break my promise to try harder.

I sometimes cheat even when I know the answers.

Don't you know that when I'm bad, I'm the most in pain?

Please don't give up on me...

Everyone else has.

Robert Ricken
