

What Am I?

I used to think I was poor. Then they told me I wasn't poor, I was needy. Then they told it was self-defeating to think of myself as needy, that I was culturally deprived. Then they told me deprived was a bad image, I was underprivileged. Then they told me underprivileged was over used, that I was disadvantaged. I still don't have a dime, but I do have a great vocabulary.
